Dear Robert Aird,

We would like to take this opportunity to recognize Robert A. Aird, Inc. as HITT Contracting's 'Featured Subcontractor'. You were nominated by the Hospitality team—please accept our sincere appreciation for your company's outstanding efforts.

Project Manager, Patrick Barrett said " *The Robert A. Aird Inc. Team's unwavering commitment to completing the exterior façade of the Westin DC Hotel project was unmatched. After having a four-month delay outside of their control, they stepped up with more manpower, longer hours, and working through weekends for several weeks on end to hit the critical brand change date from Renaissance to Westin. This delay condensed their schedule from five months to only a little under two months. On top of the condensed schedule, there was extensive added scope that was successfully completed within the same timeline, such as blocking repair and patching at every light fixture, and removal of various flagpoles – a truly impressive feat by the Aird team.*"

As our Featured Subcontractor, your company was recognized in our internal communication which reaches all 1,600 HITT team members. We hope you enjoy your 'Truck of M&Ms!' Thank you again and we look forward to continuing our positive relationship on future endeavors.

Best Regards,

Jennifer Parker
